Premier League Outright Odds for 2024/24

English Premier League betting is the hallmark of any bookmaker. The popularity of the English championship is undeniable: the strongest teams compete (according to the UEFA ranking, England occupies the top spot) and the biggest football stars play here (according to Transfermarkt, the total value of EPL players is twice as high as in any other championship). The number of available Premier League odds options is an excellent indicator of how good a particular bookmaker is at offering football bets.

In addition to 1/X/2 markets, bookmakers also offer outright bets – normally, for the entire season. The most popular format is to bet on the tournament winner. In the EPL, such bets are usually called Premier League winner odds 2024/24.

Premier League Contenders Bet365 Odds Manchester City 1.66 Arsenal 5.50 Liverpool 9.50 Manchester United 12.00 Chelsea 13.00 Newcastle United 17.00 Tottenham Hotspur 51.00 Brighton 81.00 Aston Villa 151.00 West Ham 501.00

Manchester City has the best odds to win the Premier League. The club has won the main trophy of England for three consecutive years, and, for now, experts believe this streak won't stop. Last winter, Josep Guardiola extended his agreement with City until 2025, and over the summer, the club was able to strengthen decently (Guardiola, Nunes, Doku, Kovacic) without losing any of the key players (only Gündoan left the starting lineup).

Arsenal and Liverpool are also stand out among the Premier League favourites. The silver medalists of the last two seasons were very active during the transfer window, spending a net amount of 167 and 111 million euros, respectively (according to Transfermarkt). The success of these acquisitions can only be determined at the end of the season, but the beginning suggests that the battle for the EPL trophy will be intense.

Most Wins in the Premier League

Up until the 2024/24 season, 24 clubs have won the English Premier League. Manchester United has been the most successful with 20 victories. Liverpool with 19 trophies is their closest competitor.

Manchester City is the reigning Premier League champion. Their last year victory was the ninth in the club's history. You can check out the list of other league champions in the table below:

Team	Number of the Premier League title wins

Liverpool	19

Premier League Relegation Odds 2024/24

There is a reverse option for betting on the Premier League winner, which is staking on the relegation of a specific team. According to the rules of the English football championship, clubs finishing in 18th to 20th place get relegated to the lower division. Such betting mode implies selecting a team to leave the league at the end of the season.

The favourites for this type of bet are often newcomers who earned promotion based on last year's results. Despite the fact that the EPL provides significant financial incentives to these clubs (approximately 210 million dollars over three years, according to NBC Sports), it's not easy to level the class difference of players over the summer. This season, Burnley, Sheffield United and Luton Town were promoted to the Premier League. Here are the relegation odds for these and other teams:

Team Bwin Odds Luton Town 1.16 Sheffield United 1.25 Burnley 3.00 Wolverhampton Wanderers 3.75 Everton 3.75 AFC Bournemouth 4.00 Nottingham Forest 6.50 Fulham 9.00 Brentford 13.00 Crystal Palace 17.00

Premier League Top Scorer Odds 2024/24

Another Premier League outright odds option is a bet on the top scorer of the tournament: you pick the player who will score the most goals against rivals by the end of the season. In England, this award is called the Premier League Golden Boot, which has been awarded since the 1992/93 season.

Erling Haaland significantly leads in terms of betting odds. The Norwegian forward set the Golden Boot record in his debut EPL season, scoring 36 goals. Moreover, he scored them in 35 matches, which is more than one goal per game. According to bookmakers, Mohamed Salah and Heung-min Son are Erling's main rivals this season.

Name Bwin Odds Erling Haaland 1.16 Mohamed Salah 17.00 Heung-min Son 17.00 Darwin Núñez 34.00 Alexander Isak 34.00 Marcus Rashford 41.00 Bukayo Saka 41.00 Evan Ferguson 41.00 Julián Álvarez 41.00 Gabriel Jesus 51.00

Past Premier League Top Goal Scorers

Thierry Henry is the most frequent winner of the Premier League Golden Boot award, having received it 4 times. Three players have received this award three times each – Harry Kane, Mohamed Salah, and Alan Shearer. Erling Haaland, a player for Manchester City, is the current prize holder. The Norwegian continues to compete in the EPL and may defend the title of the top scorer.

Winners Season Goals Erling Haaland 2024/23 36 Heung-min Son 2024/22 23 Mohamed Salah 2024/22 23 Harry Kane 2024/21 23 Jamie Vardy 2024/20 23 Mohamed Salah 2024/19 22 Sadio Mané 2024/19 22 Pierre-Emerick Aubameyang 2024/19 22 Mohamed Salah 2024/18 32 Harry Kane 2024/17 29 Harry Kane 2024/16 25 Sergio Agüero 2014/15 26 Luis Suárez 2013/14 31

About Premier League Betting

The Premier League is the top division in the system of football in England. The championship features 20 teams. The tournament is held in a round-robin format, where each club faces every other club twice: at home and away. In total, there are 38 rounds. The winner of the championship is determined by the number of points gained in all matches. The three worst teams at the end of the season are relegated to the lower division – the Championship. In case of a tie in points between several clubs, the following criteria are compared:

Goal difference;

Goals scored;

Points gained in the head-to-head record between such teams (If the champions, relegated teams or qualified teams for UEFA competitions cannot be determined);

Away goals scored in the head-to-head record between such teams;

Playoffs.

The top four teams of the EPL 2024/24 season will secure spots in the group stage of the Champions League for the following season. The club finishing in fifth place will perform in the

Europa League group stage.

At the end of the season, the Football Association of England, the Professional Footballers' Association, and the Football Writers Association present awards to the top players and the best manager. Here is a list of nominations and the current winners:

Premier League Markets on UKClubSport

The status of the strongest national football championship makes the Premier League one of the best leagues for football betting. In addition to 1/X/2 options, the selection of markets to bet on EPL matches include many extra markets: O/U goals/cards/corners, Asian handicaps, Exact Score, HT/FT etc. If desired, you can place player props, implying betting on a particular player to score a goal, footballers to score the first/last goal of the game, as well as combo bets and so on.

Outright betting fans will also be able to find something interesting for themselves. In addition to standard Premier League odds 2024/24 options or bets on the top scorer, there are also bets on teams to make it into the top 6 of the championship, the best tournament assist provider, footballers to win the PFA Player of the Year, and so on.

Factors to consider when betting on the Premier League

The main feature of English club football is its dense schedule. In addition to domestic league matches, Premier League teams perform in the Carabao Cup and FA Cup. Moreover, the top clubs from the previous season compete in European tournaments. Participation in all these competitions often leads to top clubs playing 3-4 games in 10 days. Carefully monitor the schedule of past and upcoming matches for each FC. The favourite in a match may field a non-optimal lineup, and the underdog will take advantage of this.

According to many fans, the physicality and roughness of play are among the general trends in the league. However, if we have a look at last season's statistics, we'll see that Premier League teams receive fewer red cards than any other top league. On average, referees show 0.79 red cards per matchday. For comparison: as for other top leagues, the Netherlands (1.20) and Germany (1.26) are closest to this indicator. If you are thinking of betting on O/U fouls or whether a red card will be shown, be careful and study the statistics in detail.
