Muertos Multiplier Megaways: Slot Overview

In its English translation, Muertos Multiplier Megaways by developer Pragmatic Play more or less equates to 5 Dead Ones Multiplier Megaways. That might sound a bit grim until we remember Muertos Multiplier Megaways refers to the famous 5 Day of the Dead celebration. The Mexican holiday is certainly popular in the gambling realm, with a large number of 5 slots using it to add a dash of life and colour. Paradoxical, perhaps, since the holiday has a focus on 5 death, but not so much since it's a positive celebration of family or friends who have passed away. Anyway, Muertos 5 Multiplier Megaways is draped in Mexican cultural references, cliched or not, take your pick, and makes use of an intriguing 5 progressive multiplier method to potentially power up wins.

Players are brought to an anonymous Mexican village to experience Muertos Multiplier Megaways 5 in. Colourful houses line either side of the panel, one side featuring a big floating donkey tethered to the roof 5 by some rope. Sprinklings of skulls and candles allude to the popular celebration, but Muertos Multiplier Megaways isn't a slot 5 which lets off a truckload of fireworks to mark the date. It's a bit more tasteful in that regard and 5 is capped by an excellent guitar track fluttering effortlessly when the reels are idle, picking up the pace when they're 5 spinning, and launching into full-on fiesta mode when free spins arrive.

In typical Megaways fashion, the gaming takes place on a 5 grid made up of 6 vertically spinning reels and one horizontally spinning tracking reel. Taking into account the four symbols 5 on the top reel, up to 7 symbols can land on each aligned column, producing 117,649 ways to win when 5 fully expanded. Highly volatile, Muertos Multiplier Megaways comes with a range of RTP settings, with 96.03% being the preferred one 5 - it drops a titch to 96% when buying free spins. Playable on mobile, tablet or desktop devices, bets vary 5 from 20 p/c toR\$/€100 per spin.

A total of ten pay symbol types are present on the grid, forming a win 5 when they land in adjacent reels starting from the leftmost side. Card suits start us off, where we come across 5 hearts, clubs, diamonds, and spades, then guitars, nachos 'n dip, tacos, cacti, liquor bottles, and skulls. Hitting a six symbol 5 winning way of suits gets you 0.5-0.6x the bet, or 0.75 to 5 times the stake for six of the 5 remaining symbols. Wilds appear only on the top reel and are able to substitute for any regular pay symbol.

Muertos Multiplier 5 Megaways: Slot Features

While playing Muertos Multiplier Megaways, be on the look for features such as tumbles, wild multipliers, free spins, 5 and possibly a bonus buy.

Tumble Feature

After a winning way has hit, the symbols involved are removed from the reels by 5 the tumble feature. Then, symbols remaining on the reel strip fall down to fill in all of the empty spaces. 5 If the tumbling symbols create a new winning way, the tumble feature triggers again. When no new win appears, the 5 next spin can occur.

Wild Multipliers

When wild symbols hit, they are allocated a multiplier of x2 or x3. This multiplier is 5 stored to the side of the reels on a meter and applies to the current tumble as well as any 5 future tumbles on the same spin. When new wilds hit, their multiplier values multiply the value already stored in the 5 meter. The multiplier is reset to x1 at the start of each base game spin.

Free Spins

The chilli-covered symbol is the 5 scatter, and landing at least 3 of them triggers the free spins round. Before the round begins, a random amount 5 of free spins is generated. This could be 5-14, 6-14, 7-14, or 8-14 if triggered by 3, 4, 5, or 5 6 bonus symbols, respectively. If less than 14 free spins are displayed, players have the option of gambling for more 5 on a wheel. If the gamble is successful, +1 free spin is awarded, up to a maximum of 14. If 5 unsuccessful, all free spins are lost.

During free spins, a couple of things change. One is that following every tumble, the 5 win multiplier increases by +1. Furthermore, wild symbols continue to be collected on the win multiplier by x2 or x3 5 as in the base game. However, in free spins, the win multiplier does not reset until the round is finished. 5 Landing 2, 3, 4, 5, or 6 scatters in the feature triggers an additional 1, 2, 3, 4, or 6 5 free spins with no limits to the number of retriggers.

Buy Free Spins

If available, players may be able to buy free 5 spins, randomly triggered by 3, 4, 5, or 6 scatter symbols for the cost of 100x the bet.

Muertos Multiplier Megaways: 5 Slot Verdict

In a growing crowd of Day of the Dead-themed slots, Muertos Multiplier Megaways manages to stand out for a 5 number of reasons. For one, interestingly, it's a bit more restrained, a bit more tasteful than these sorts of slots 5 can sometimes be. Picking The Day of the Dead to build a slot around gives game makers the opportunity to 5 go overboard with colourful subject matter. It's probably pretty tempting to pack a slot with related items like a stuffed 5 piñata. Muertos Multiplier Megaways does a bit of stuffing, yet it's a slightly lower key than some of its competitors 5 in some ways, though all the better for it.

Like the visuals, Pragmatic Play hasn't gone overboard with the features either, 5 yet each part here has a role to play. As is usually the case, features like tumbles or win multipliers 5 work okay on their own, but when brought together is when the real good stuff gets the chance to happen. 5 An example of this occurred during one of the first free spins rounds when the win multiplier was sitting on 5 x15, then a wild symbol hit, instantly bumping it up to x30. It's worth repeating that wild symbol multiplier values 5 are not added to the win multiplier. Instead, each wild multiplies the win multiplier value, meaning it can quickly grow. 5 Not always, of course, but the opportunity is there and leads to max win capabilities capped at 10,000x the bet.

If 5 you're looking for a Day of the Dead slot that overwhelms you with visuals and a smorgasbord of features, Muertos 5 Multiplier Megaways might not be quite the right match. Don't worry, though; Muertos Multiplier Megaways is no bashful wallflower. There 5 are plenty of lively cultural artefacts here to experience, or cliches, depending on your point of view. However, for a 5 well put together, relatively tastefully made slot, it might be just the right combination of Day of the Dead atmosphere 5 and smart features to hit the spot.
