The news was announced on Sunday by Microsoft's gaming head Phil Spencer. "We are pleased to announce that Microsoft and PlayStation have signed a binding agreement to keep Call of Duty on PlayStation following the acquisition of Activision Blizzard," Spencer tweeted. "We look forward to a future where players globally have more choice to play their favorite games."

A Microsoft spokesperson subsequently confirmed to The Verge that the deal would last for a term of 10 years, and covers Call of Duty only — not any other Activision Blizzard games. That puts it on a par with agreements Microsoft had previously signed with Nintendo, Nvidia, and others.

Microsoft president Brad Smith also commented, saying, "From Day One of this acquisition, we've been committed to addressing the concerns of regulators, platform and game developers, and consumers. Even after we cross the finish line for this deal's approval, we will remain focused on ensuring that Call of Duty remains available on more platforms and for more consumers than ever before."

The signing of the deal marks the end of a long stalemate, during which Microsoft made repeated public offers to keep Call of Duty on PlayStation, while Sony dismissed these and instead attempted to use its leverage with regulators to sink Microsoft's \$68.7 billion acquisition of Activision Blizzard completely. "I don't want a new Call of Duty deal. I just want to block your merger," PlayStation boss Jim Ryan reportedly told Activision executives on the day of a meeting with European Union regulators in February.

PlayStation's strategy was to use Call of Duty to convince regulators the merger would kill competition in the console market, because Microsoft would withhold the games from PlayStation

or release inferior versions there. But this strategy was none too successful. EU regulators were satisfied with the assurances offered by Microsoft, while the U.K.'s Competition and Markets Authority eventually conceded it was in Microsoft's interest to keep Call of Duty available to PlayStation's huge audience, and switched tack in its opposition of the deal to concerns around cloud gaming.

First things first, Patrik Antonius was born on December 13, 1980, in Helsinki, Finland. Although he's Nordic, he now lives in Seattle, USA, and represents the Full Tilt Poker site as an ambassador. How cool is that? He's definitely someone we can look up to.

Patrik has quite the impressive résumé, don't you think? Not only did he win the European Poker Tour in 2005 and possess elite-level heads-up skills, but he's also a former tennis pro and coach. This guy's a real-life Renaissance man! His poker career is filled with successes all over the world.

Popularly recognized from TV appearances on hit shows like High Stakes Poker and Poker After Dark, Patrik Antonius continues to reap in achievements left and right. His most notable cash-in was against Eric "Sheets" Persson, winning a jaw-dropping R\$2 million pot!

Oh, and did you hear about his new mobile app, First Land of Poker? It's the hottest new thing available for players and fans to secure seats at the Red Dragon Casino and Caribbean Cardroom, both in Seattle. Get the free app now and join the action! That's the kind of tech we love to support.

There you have it, guys! Patrik Antonius is a true pioneer in the world of poker. Not only is he killing the game (literally), but he's paved the way to inspire others to follow their dreams. We cannot wait to see what the future holds for him. We wish Patrik continued success in all arenas!

Eleições na África do Sul: uma possível mudança de paradigma

Os sul-africanos estão votando ggpoker sit and go eleições que podem resultar no voto mais competitivo desde o fim do apartheid, o que pode resultar na perda da maioria do Partido Africano Nacional Congolês (ANC) pelo primeira vez desde que Nelson Mandela o levou ao poder há 30 anos.

O clima geral é sombrio devido às algumas das taxas mais altas do mundo de desemprego e desigualdade, falta de energia, escassez de água e criminalidade violenta. As gerações mais jovens não sentem a mesma gratidão e lealdade ao ANC que muitos de seus pais e avós, por liderar com sucesso a luta pela democracia multi-racial.

Um possível fim do domínio do ANC

Pesquisas consistentemente mostram o ANC recebendo menos de 50% dos votos nacionais, ggpoker sit and go comparação com 57,5% nas eleições de 2024. Isso levanta a possibilidade de o primeiro governo de coalizão na África do Sul desde o "governo de unidade nacional" durante o único mandato presidencial de Mandela, quando o país era visto como um farol de esperança para a África e o mundo.

Críticas à gestão do ANC

"Certamente acho que o ANC não vai fazer 50% ... O melhor caso parece ser 46-47%", disse David Everatt, um professor da Universidade de Witwatersrand que conduziu pesquisas para o partido de 1993 a 2024.

"O ânimo está muito, muito baixo e muitas pessoas atribuem ggpoker sit and go insatisfação diretamente ao ANC."

Desafios para a oposição

A Aliança Democrática (DA), o maior partido de oposição e mais pró-negócios do que o ANC, pode ajudar os sul-africanos, mas não é atraente devido à acusação frequente de que favorece os interesses dos brancos (o que nega).

A DA é liderada por John Steenhuisen, que é branco e assumiu a liderança do partido ggpoker sit and go 2024 quando seu antecessor negro, Mmusi Maimane, renunciou, alegando que seus esforços para atrair mais eleitores negros foram frustrados. Foi formado a partir da fusão do Partido Democrata, cujas raízes estavam na oposição ao apartheid no antigo parlamento branco, e do Novo Partido Nacional, o Partido Nacional renomeado que governou a África do Sul durante o apartheid.

"Como podemos confiar neles?" Reabetswe perguntou sobre a DA. "Como sabemos que eles não nos levarão de volta ao apartheid?"
