feeling of being transported into a live casino the moment the individual enters their live game.

Players should be able to enjoy different versions of the game around the clock.

Roulette players that are going to play live roulette should have options to

choose from. The possibilities are the variations of the game being offered in the live mode.

Being as the live roulette is being played in real time, players should be greeted by a live croupier and be able to converse with them if they choose to do so.

The live roulette interface should be clear and providing quality streaming.
