Information about IGT games

IGT, or International Game Technology, has been around for many years and is 4 one of the best-known names in the iGaming industry. It was originally a Las Vegas-based gaming manufacturer, supplying slot machines 4 and other technology to land-based casinos across the United States. The 1990s saw IGT listed on the New York Stock Exchange 4 as they expanded their services abroad to countries such as Argentina and South Africa. It was a prosperous time for 4 the company marked by the stunning success of its Wheel of Fortune progressive slot, based on the hit TV show 4 of the time.

The company's universal presence in bricks-and-mortar establishments around the globe meant that there wasn't a huge focus on 4 internet games until 2010, several years later than many other providers. This was when they established an interactive division with 4 the aim of growing their online operations, and IGT fans had a range of exciting virtual games to choose from.

However, 4 the next few years would see the company suffer from internal disputes and heavy debt, which led to Italian firm 4 Gtech acquiring them for R\$6.4 billion (including R\$1.7 billion assumed debt) in 2024. The new-look company, now based in London, had an 4 ambitious outlook, aiming to dominate the iGaming market.

Today, it continues to release both land-based slots and lottery games across multiple 4 platforms, continuing its status as a leading casino content provider.

IGT slots and casino games

IGT knows a successful formula when it 4 sees one, which is why you'll see several variations of its famous Wheel of Fortune slot game. Its Exotic Far 4 East version is one that holds a progressive jackpot along with plenty of bonus games, such as the special Ca\$h 4 Link feature, which is activated when you land both special coin and treasure chest symbols. The amount you win depends 4 on the value of the coins. Wheel of Fortune symbols and a treasure chest will give

you a spin on 4 the jackpot wheel, the highlight of the game. The game is action-packed and designed to entertain you with its Far-East 4 design and music.

Another popular IGT title is Cleopatra, a slot based on the famous ancient Queen. Like Cleopatra herself, the 4 reels are draped in jewels and decorations, and the bright graphics and symbols are attractive to play on. In terms of gameplay, however, it's pretty ordinary. The bonus round is simply free spins and a multiplier, while the Wilds symbol 4 (a logo of the queen) is nothing special. It's a hit with slots players, though, so give it a go 4 to see if you like it as much as others do.

For those looking for a fun take on things, then 4 IGT's Ghostbusters-themed slot is a great way to pass the time. Surprisingly life-like symbols of the team are displayed on 4 the reels, along with the foursome's famous car and ghostbusting equipment. There are four bonus games, with the highlight being 4 the 4 Mystery feature – a Wild Reels win here can lead to big gains. Also, watch out for the 4 farting ghost when wins are paid out, something that will amuse the childish ones among us.

Título principal: Wimbledon, entre la tradición y la modernización

El lema de este año en Wimbledon es "Siempre como la primera vez", un guiño al delicado equilibrio del All England Club en modernizarse mientras mantiene algunas de las tradiciones que tanto defiende. Pero si el club y el torneo siguen expandiéndose, hay cosas que permanecen inmutables.

Ball boys y ball girls: una tradición arraigada

A diferencia de los otros tres Grand Slams -el Abierto de Australia, Roland Garros y el Abierto de Estados Unidos-, Wimbledon persiste en el uso de términos específicos de género para los niños y niñas que recogen las bolas. El Abierto de Estados Unidos, que utiliza a personas de todas las edades para el cargo, los denomina "crew de bolas" mientras que en Melbourne y París son los "ballkids". El All England Club, que se enorgullece de tener, en su opinión, los mejores ball boys y girls del negocio, dijo el sábado que no hay planes de cambiar sus títulos.

Modernizaciones y resistencia al cambio

Wimbledon no ha tenido miedo de cambiar con el paso de los años, con modernizaciones que incluyen la construcción de un techo sobre los dos estadios principales. El techo del Court Central se instaló en 2009 y la nueva cancha número 1 se inauguró en 2024. Sin embargo, como un barco que da la vuelta, Wimbledon tiende a ser exasperantemente lento a la hora de poner en marcha los cambios, a menudo solo haciéndolo cuando se le critica.

Igualdad de género y lucha por el cambio

Wimbledon fue el último de los cuatro Grand Slams, junto con Roland Garros, en otorgar el mismo premio en metálico a las mujeres y a los hombres, en 2007, lo que solo se produjo después de que Venus Williams escribiera una carta abierta en el *Times* el año anterior, pidiendo que se pusieran al día con los tiempos. "El mensaje que me gusta transmitir a las mujeres y a las niñas de todo el mundo es que no hay techo de cristal", escribió Williams. "Mi temor es que Wimbledon esté enviando claramente el mensaje opuesto."

Siguiendo el camino hacia la igualdad

Tras un artículo en el *New York Times* en 2024, Wimbledon dejó de referirse a los jugadores en la pista como Sr., Sra. o Sra. el año siguiente. Y solo hace dos años que finalmente eliminaron el "Sra." antes de los nombres de las campeonas en el cuadro de honor en el clubhouse. Otra norma que no muestra signos de cambiar es la que concierne a la ropa de los jugadores. Aunque Wimbledon introdujo una nueva norma en 2024 que permite a las mujeres llevar bragas de colores, los jugadores siguen teniendo que llevar "prácticamente todo blanco".
