Online football is as big a favorite sport amongst online gamers as the real game played globally on every patch of available turf possible, only with the bonus of being in the comfort of your own home. Playing games online is the perfect way for children, and adults alike, to feel included and accepted, and they are not restricted by age, ability, or other factors that would otherwise deem them unsuitable to participate. And this is why this is such a big experience children should be given the opportunity to do where possible.

There are plenty of gaming sites where children can play online games and try different categories of gameplay or characters, and you don't need to solely rely on Poki online games but so many others readily available, and free to play, so you can enjoy thousands of game genres with new ones added frequently. The online gaming industry shows no signs of slowing down, and for good reason too.

The

perks of being an online gamer

While online soccer is at the forefront of the top games played online, it offers many benefits to individuals taking part in the action. Other than showing your support for your favorite teams, players, or gaming influencers by wearing their bespoke merchandise such as hoodies and t-shirts, but also embracing their energy and enthusiasm for the game through posters to hang in your room and toy replicas of the games, there is something for everyone to be a part of the soccer movement.

Playing online, for many children specifically, is the perfect way for them to relax and be their true selves. They can be part of the social crowd judgment-free, and refine their skills in the game to become a household name. Playing online soccer, or any online game whether it be for boys or girls, or both, or as a tournament, has a positive effect on our up-and-coming generation. Sites that offer online games for

children are ever-evolving, and being part of the technological advances will only work in their favor, here are the top 5 reasons how;

€€€€€€€€ Social

Multiplayer games and team sports are the epitome of why children play online games, they want to feel accepted, and online this are effortless when compared to real-life settings. Children can build friendships and social status with people all over the globe from the comfort of their homes, or even when traveling, simply log on and play against your friends from anywhere in the world.

€€€€€€€€ Concentration

You may not think it but the level of concentration needed to play online games is immense. Children playing online games like soccer need to be able to focus for long periods while making split-second decisions on where and how to pass a football, or which team players to use in-game modes. Concentrating during online games could be the difference between being taken down by an opponent or coming out victorious, a great skill acquired through plenty of online gameplay.

€€€€€€€€ Analytical

Solving tactical situations and thinking on your feet is part of the online gaming experience. The puzzles or team set-ups require problem-solving skills that are significantly refined as they continue to play. Their cognitive function is enhanced and they find solutions quicker than usual.

€€€€€€€€

Educational

Immersing yourself in a game mode played in a land that is from another country is a great way to better understand another part of the world otherwise not known. Players can learn about the traditions of different cultures, rich history, and how they overcame battles and environmental factors in specific events.

€€€€€€€€

Relaxation

School life and work life can be hectic for many of us, and finding a way to escape from the overwhelming deadlines or endless paperwork and tasks is a must for taking time to unwind and relax, playing online games is the perfect way to get away from it all. Many children do well to relax and take their minds off the stresses of school by escaping to other dimensions in the gaming world.

Could online soccer be the future?

Many gamers these days are making a name for themselves with the online community and in doing so are creating a following of other soccer enthusiasts who too are immersing themselves in the world of online games. As we have seen the many benefits that online gaming has for children, it could well be the solution that educators and parents alike have been looking for as a means of an outlet for children.

And it is a great mood-boosting option for when we could all use a silver lining in our darker days. Win-win.

Desde el 1 de julio, miles de estudiantes protestan en Bangladesh contra el sistema de cupos

Desde julio de 2024, miles de estudiantes en Bangladesh han estado protestando por la reinstauración del sistema de cupos, que había sido abolido en 2024 y restaurado este año.

Las protestas escalaron a la violencia cuando la ala estudiantil de la Liga Awami, el partido político de la Primera Ministra Sheikh Hasina, comenzó a atacar a los manifestantes. La semana pasada, el gobierno desplegó a la policía y a las fuerzas paramilitares para contener la violencia, pero los estudiantes no se retiraron. El viernes, el gobierno declaró un toque de queda y llamó al ejército para sofocar las protestas.

El sistema de cupos en Bangladesh

El sistema de cupos fue implementado por Sheikh Mujibur Rahman, el líder fundador de Bangladesh, quien dirigió la lucha de su país por la independencia de Pakistán. Rahman, el padre de Hasina, reservó puestos de trabajo en el gobierno como recompensa para aquellos que lucharon en la guerra. En 1997, y nuevamente en 2010, los cupos se expandieron para incluir a los hijos y nietos de los llamados luchadores por la libertad.

Los estudiantes han etiquetado al sistema como injusto y han exigido que la mayoría de los puestos de trabajo del gobierno se asignen por mérito. En junio, el tribunal superior reintrodujo los cupos después de que los descendientes de los luchadores por la libertad presentaran su caso. Cuando comenzaron las protestas, el Tribunal Supremo detuvo su reinstauración, pendiente de una sentencia, que llegó el domingo.

En la entrega de su veredicto, el tribunal superior también pidió a los estudiantes que regresaran a clase, dijo Hoque.

"A medida que se cumplen las demandas de los estudiantes, deben detener las protestas", dijo Am Amin Uddin, fiscal general de Bangladesh, a los reporteros después del veredicto.
