A Horn or craps-11 bet, as it is typically called, is a one-roll wager that on the next roll of the dice their sum will be 2, 3, 11 or 12. If they total anything different (4, 5, 6, 7, 8, 9 or 10), you lose. If 3 or 11 appears, you are paid 15:1. If 2 or 12 rolls, the payoff is 30:1.

The improbable win is considered to be one of the biggest single-game upsets in the history of the World Cup. From a sports betting perspective, it was also historic, as Saudi Arabia closed at +1200 on the moneyline at FOX Bet, while Argentina was -667.

Hello, allow me to introduce myself. My name is Thiago and I am an avid poker player from Brazil. I have been playing poker for a few years now and I have tried out many different online poker platforms. However, my personal experience has shown me that 888poker is one of the best sites for playing poker online.

In the past, I have always been hesitant to try out new online poker platforms. This is because I have had bad experiences with unreliable sites and poor customer service in the past. But, a few months ago, I decided to give 888poker a try and I was not disappointed.

One of the things that drew me to 888poker was their special sports betting offer. At the time, I was also interested in placing some sports bets and this offer seemed like an excellent opportunity to do so. Essentially, by making a sports bet and placing well, I was able to earn a free ticket to an exclusive and private sports-themed poker tournament. The poker tournament was a lot of fun and I was even able to win some money.

What's more, when I first joined 888poker, I was eligible for a special bonus. The platform offered me a US\$ 8 bonus, simply for creating an account with them. All I had to do was download the software, sign up with a valid email address, and verify my account. Within minutes I had my bonus and I was ready to start playing poker online.

But, perhaps what I love most about 888poker is the range of games they offer. From Texas Holdem to Omaha Hi, there is something for everyone on this platform. And, if you're new to poker or just looking to improve your skills, Sit & Go tournaments and regular tournaments are available on a daily basis.

Another thing that sets 888poker apart from other online poker platforms is their customer service. Whenever I have had a question or a problem, their customer service team has been quick to respond and helpful throughout the entire process. This level of customer service is something that I value a lot and it has definitely contributed to my positive experience with 888poker.

In summary, if you're looking for a reliable, fun and rewarding online poker platform, I would highly

recommend giving 888poker a try. Their current special sports betting offer and US\$ 8 bonus are just two examples of the many great offers that this platform provides on a regular basis. Of course, as with any online gaming or gambling platform, it's important to remember to play responsibly and within your means. With that said, I wish you the best of luck and happy poker playing!
