What are the best online games?

Overview of Among Us, A Multiplayer Social Deduction

Game: Among Us is a free online multiplayer social deduction game where 10 players drop into an alien spaceship, planet base, or sky headquarters. Each player of this game has their own private role. The player can be either an imposter or a crewmate. You can play this game online with your selected friends. Among Us is basically a survival game where players have to vote off all of the imposters and then complete all the tasks. As there are two roles "imposter" and "crewmate" So, the imposter has to kill the crewmates and stop them from completing their tasks to win while the crewmate has to find the imposter but for all the players being an imposter is really fun because as an imposter you have to betray your friends and kill them. This game is currently available free of cost for Android, iOS, and web with in-app purchases. The free version of this game is supported by ads but players can get the premium version of this game too by paying R\$2 as a one-time fee. This game is also available for Windows on the Steam Store for Rs 199. Windows users can purchase the game for Rs.199 or for R\$5. Steam users can download the game directly from the Steam Store after purchasing the game. Features of Among Us, A Multiplayer Social Deduction Game: New set of Skins In-Game Voice Chat New Game Modes Additional New Maps Expanding Customization Multiplayer Game (up to 10 friends) Ghost Abilities (For hunting the imposter) Among Us is published in 2024 by an American game studio Innersloth. This game takes place in a space-themed setting where each player can take one role from the two roles available in the game i.e., "Crewmate" and "Imposter." As a crewmate, you have to identify imposters and eliminate them, and finally to complete your tasks around the map while as an imposter you have to kill the crewmate before completing their tasks. Crewmates will win in both ways if all the imposters get eliminated and killed or either if crewmates complete all the given tasks while win if the number of imposters gets equal to crewmates. If a player dies in this game, they become a ghost. Ghosts have the ability to pass through walls, chat with other ghosts and spectate other players. Ghosts can also help their living teammates by completing their tasks in both roles (as a crewmate or as an imposter). The game will also end if a player from any team quits the match. To help the cremates in the identification of the imposters there are surveillance systems in each map i.e., security cameras system on The Skeld, a vitals indicator in Polus, and a doorlog in MIRA HQ. Crewmates can also confirm their

identity through visual tasks that can't be faked by imposters. A living player can also call a group meeting by reporting a dead body or just by pressing the Emergency Meeting Button anytime. In the game's lobby, there are various options that can be adjusted by the player to customer aspects of gameplay i.e., player movement speed, the allowed number of emergency meetings, etc. There are also many other options of cosmetic options which includes spacesuit colors, skins, pets, and hat in which some of them are paid downloadable content.

Bacon fat has a unique, rounded, umami-rich flavor that works well in both sweet and savory dishes. Therefore, it is always a good idea to save any leftover bacon fat after cooking. Make sure to scrape the bottom of the pan to get all the flavorful, caramelized bacony bits. Bacon fat can make almost any dish more delicious and add an extra boost of flavor. Use it for sautéing potatoes, frying chicken or, if you want to elevate your dessert game, making today's bacon fat salted caramel. I love it drizzled over popcorn or pancakes, but my favorite is to use it as a topping for vanilla ice cream. Also, you don't even need to use any salt because the fat alone gives the caramel a good, salty twang.

## Bacon Fat Salted Caramel

This alchemical, mood-enhancing, and furiously tasty recipe transforms those icky bits of gooey, caramelized bacon fat stuck to the bottom of the frying pan into a luxuriant and thought-provoking dessert. If you want to add further depth of flavor, use smoked bacon (smoked sea salt would also work).

Serves 2-4

**2-3 tbsp bacon fat** (or a mix of bacon fat and butter)

**50g brown sugar**

**80ml double cream**

**1 tsp vanilla extract** (optional)

1. Melt the bacon fat in a wide pan on a medium heat.
2. Stir in the sugar, cream, and vanilla, if using.
3. Bring to a boil.
4. Cook, stirring occasionally, until the caramel starts to thicken.

Serve hot just as it is, poured over popcorn, pancakes, or ice cream. Alternatively, decant into a

jar or container and leave to cool. Seal and store in the fridge for up to three weeks or the freezer for a few months. Bring back to room temperature before using; and if it crystallizes, simply bring to a boil.
